

## Oculus Virtual Advisor

**Have you ever been in a situation when something happens in your business and you wish you had someone to call for advice? Do you have a business lifeline to help you when it is needed the most?**

Whether it is how to deal with a toxic employee, evaluating an offer to buy or sell your business, inquiring if you can afford the latest in diagnostic technology, or just want someone to bounce ideas off of, the Business Experts at Oculus Insights are here for you.

We offer accessible and confidential online access at convenient times and the length of time that you need. Why spend an hour's worth of time when you only need 15 minutes to discuss a problem and come up with a solution? You can book a one-time appointment or schedule regular calls for ongoing support and guidance while you manage your business.

The value of the Oculus Insights Business Experts is that each expert has experience running successful veterinary practices of various sizes and species. Our experts specialize in many different areas including HR, finance, marketing, coaching and many more. We have someone that has the experience and skills to help guide you as you overcome your challenges.

Life is too short and too valuable to deal with the relentless headaches of practice management. Let our Business Experts take some of the load off your shoulders.
